PROFESSIONAL SUMMARY

A Frontend Software Engineer with years of experience, proficient in crafting dynamic interfaces using Vanilla JavaScript and React JS. Experienced in **Graphic Design** and **UI/UX Design**, showcasing a blend of creativity and technical skills. Familiar with **Backend Development** basics for a comprehensive project perspective. A dedicated and ambitious individual with a profound passion for technology, especially programming.

WORK EXPERIENCE

Ultra Progress | Frontend Developer/Remote | KSA
- Supervised and coordinated the web development team, ensuring frontend and backend functionality met client specifications, and assisted with code configuration and problem-solving.
- Architected and developed high-performance, scalable web applications using React JS.
- Created numerous websites with Vanilla JavaScript and assisted in backend development with PHP (Laravel).
- Enhanced web and mobile UI/UX using Figma, Adobe Illustrator, and Photoshop.

Master Code | Frontend Developer/Remote | Kafr Elsheikh, Egypt
- Implemented multiple websites using Vanilla JavaScript with some contributions in backend using PHP(Laravel)
- Modified and fixed react code in various web applications that had problems with the API.
- Enhanced web and mobile UI/UX using Figma, Adobe Illustrator, and Photoshop.

EDUCATION

Bachelor's degree in computer engineering, Computer and Control Systems Dept. 2018-2023
Faculty of Engineering, Kafr Elsheikh University.
- **GPA:** 3.02 *(Very Good)*

Graduation Project (Grade: *Excellent* **) :**
- **Cropcopter Web Application:**   **Visit Website**   **Github Repository**
  E-commerce Web application with some features of social media apps as it is an integrated platform for those who are interested in agriculture whether they are workers, students, or investors.
    - Designed and enhanced UI/UX for the web application and the mobile application using Figma, Adobe XD, Adobe Illustrator and Adobe Photoshop.
    - Implemented the UI design using HTML5, CSS3, Vanilla JavaScript, Bootstrap.
